■ **ART OF "BEING"** A hilltop fantasia of mustard and white buildings topped with jaunty spires, **Villa**

Being (868-625-4443; www.being-tobago.com) is among the newest digs on the island. Revel in this retreat's three distinctively designed bedrooms, each in a separate building, and relax by its sea-view infinity pool. The property's best feature is its gracious staff, which miraculously appears the minute you think you'd like something.
